

# CLASSIC TRESTLE BRACKET INSTRUCTIONS

**CLIMB ON**

To use with a Little Giant Classic Type IA, IAA, Pro Series, Tactical, or Aircraft Support aluminum articulating ladder, remove the plastic plugs from the trestle brackets by pressing firmly on the back side of the plugs. For all other models, leave the plugs in.

Unlock the lock tabs. Insert the trestle bracket with the flange on the outside of the rail.

Engage the lock tab completely into the trestle bracket.

Lock the remaining lock tabs in the same manner.

Store the trestle brackets on the ladder with the included tool bungee.
